Minutes of the meeting - April 20

submitted by Mary Carroll, secretary

The April meeting held at the BNHV opened with a trunk presentation and teaching lecture given by Patricia Ohtake. She emphasized the following techniques which will give more interest and meaning to our quilts:

- Customizing borders
- Personalizing the quilt
- Tweaking the quilt pattern
- Embracing challenge quilt opportunities

After a brief intermission, Sally encouraged members to give a description of their Show and Share quilts.

Our attorney has submitted our application for 501c(3) status. We will be sending the members a summary of this proposal. At a future meeting we will vote on this submission and will need the majority of the members present to approve the document.

We have some changes in both location and in dates of future meetings. The **May 17 (Wednesday)** meeting will be at the BNHV. The meeting on July 20 will be at the Faith United Church and will probably be an open sew day. The Quilts for Courage Day will be on August 17 and will include a Guild meeting at 7 pm.

Linda Hunter has Quilters Consortium of New York State passports for sale for \$5. The booklet contains information on quilt shows scheduled in New York State.

A daytime workshop on making Twister quilts is in the process of being

scheduled.
